

Mukhammadaziz Nigmatjonov | Web developer

I am an experienced Frontend Developer proficient in JavaScript and TypeScript, with 4 years of hands-on experience. Specializing in React.js, Redux, Next.js, Vue.js, Pinia, and Node.js for building dynamic and efficient web applications. Adept at collaborating with cross-functional teams to deliver high-quality software solutions. Additionally, I dedicate my spare time to mentoring junior engineers, further contributing to the growth of the tech community.

Work Experience

4 years of experience

ABIZ | Frontend Team Lead
